

Name: Lila Millard

Position: Principal

Number of years working at CKS: I have been at CKS for 16 years and an administrator for the past 8 years

About me:

I love working at CKS and being able to spend time with all the students. I never dreamed that I would be a teacher much less a principal. It just goes to show you that God does have a plan for each and everyone one of us!

I love to garden, work on my house and of course, be at CKS!

Why CKS:

When my own children started here, I was amazed at the sense of community and how welcoming everyone was to us. That sense of community is part of what makes CKS so special.

As the principal, I want to make sure that everyone has a feeling of belonging and welcome that my family did.
